

# acolad.

---

Acolad is the global leader in content and language solutions. Its mission is to support companies in every industry to scale across markets and enable growth through cutting-edge technology and localization expertise. Established in 1993, the group is present in 25 countries across Europe, North America and Asia, with over 2.500 employees supported by a network of +20.000 linguists around the world.
