

David Genn

CEO Goji

David Genn is the CEO of Goji, an investment platform technology provider based in London, UK. Goji's mission is to improve investor access to private funds. Goji develops, implements and operates private markets technology and services, and provides the infrastructure to give investors a digital investment journey. In December 2022, Goji was acquired by Euroclear (subject to regulatory approval), the global provider of Financial Markets Infrastructure, to build market-neutral infrastructure that will bring straight-through processing to private funds.

David joined Goji as employee #1 in 2015, to lead the technology build of the platform, before taking over as CEO in January 2019. Prior to Goji, David worked at IG Group leading the technology team responsible for the dealing API and Alfa, a provider of platform solutions to the asset management industry. A developer by background, David champions innovation, keeps technology at the core of what Goji does, and simplifies the complex.
