

REFERAT KEESYSTEM SA

Digital backbone: Revolutionizing Wealth Management by integrated technologies

Thursday, 25. April 2024, 13:00 - 13:40 UHR

SEMINARRAUM 4 (MIT VIDEO)

English

Speaker(s): Florent Fourneau

Florent Fourneau

Sales Regional Manager

After 5 years' experience in the Paris startup ecosystem, during which he implemented a partnership strategy at Legalstart, Aria and Alan, Florent has joined KeeSystem as Business Developer. His role is to identify strategic partnerships for KeeSystem's development, both on the technological level to integrate new services into KeeSense software (ESG, structured products, electronic signature, etc.) and on the commercial level via a network of prescribers.
