

Dominique Habegger

Chief Sustainability Officer, de Pury Pictet Turrentini

Dominique Habegger is the Chief Sustainability Officer of de Pury Pictet Turrentini, which he joined in 2013 to develop and deploy the «Buy and Care®» strategy.

He started his career at SAM in 1996 and has since contributed to many innovations in sustainable finance. In particular, he initiated the first ESG integration methodology at Lombard Odier in 1998 before co-founding ASSET4 in 2003, the first ESG web database.

Dominique Habegger holds a master's degree in finance from the University of St. Gallen (HSG). He is a member of the Board of Directors of Swiss Sustainable Finance and Vice-President of Sustainable Finance Geneva.
