

Esther Halas

BCV Product Manager

Esther Halas has worked for BCV Asset Management since 2015 as a product specialist for investment funds. She has over 20 years of experience in developing banking products. Before joining BCV, she worked for various other financial institutions, including ING Bank, Société Générale, and GE Capital. Ms. Halas holds a degree in economics from the Business and Economics Faculty of Lausanne University, an MBA from the Budapest University of Technology and Economics, and a Swiss Fund & Asset Management Officer diploma. She is also a Certified ESG Analyst (CESGA).
