

M&G is an international asset manager with a long-term, active approach to investing. The firm has been helping people to prosper by putting their money to work for more than 85 years. M&G's customers include private investors, members of pension schemes and life insurance policyholders. Responding to the ever changing financial landscape, the firm has developed a wide range of investment solutions, across equities, fixed income, real estate, multi asset and infrastructure. At 30 June 2019 M&G manages €309.20 billion in assets for its customers.
