

PETIOLE

Petiole is a FINMA-licensed Swiss-based boutique asset manager with a global reach. We capitalize on nearly two decades of track record and trusted relationships with top-tier global sponsors to provide holistic private market investment solutions with direct and co-investments. From due diligence, customizing a diversified portfolio, advisory, through performance monitoring - our services are deeply rooted in our disciplined philosophy and passion for digital innovation. At Petiole Asset Management, we remain committed to serving the private market needs of professional and institutional investors through constant learning, transparency, and attractive fee structures.
