Structured Investment Solutions: how products across asset classes are brought into the market, by GenTwo's assetization platform

Thursday, 25. April 2024, 11:30 - 12:10 UHR

SEMINARRAUM 3

English

Speaker(s): Pablo Jodar

The session shall kick off with a quick introduction of the GenTwo business model and the main trends in the structured products issued by the GenTwo Platform. Following that, an overview of the GenTwo assetization model will be provided, highlighting the benefits of issuing structured notes via Special Purpose Vehicles, able to wrap any kind of security, real world asset or digital asset as underlying. Finally, a few real examples of such structured notes will be showcased to the audience, so that the main categories become evident in a clear way.
