

Ulrike Kaiser-Böing

CFA, Country Head Switzerland, Degroof Petercam Asset Management

Ulrike is the Country Head Switzerland for Degroof Petercam Asset Management. Prior to this she worked in different business development and client relations roles at Carnegie Fund Services Limited in Geneva, at Bank SYZ, and at Candriam (formerly Dexia AM) heading the Swiss Branch. She started her career as an equity analyst and later as a relationship and project manager in the institutional business at Lombard Odier. After earlier turns on the CFA Society Switzerland Board, she rejoined the Board in 2014.
