

Dr. Urban Müller

Client Relations

Urban Müller is responsible for client relations at BWM since 2022. The firm manages its two Classic Funds in the value style. He earned a PhD in Economics from the University of St. Gallen while working at Pictet Asset Management. In 1999 he joined State Street Global Advisors Switzerland, first overseeing client relations and then the local office. In 2004 he started at the asset management firm GMO in Switzerland, before becoming Co-CEO of the UK entity and then head of global client relations.
