

Jiven Gill

Senior Product Manager Private Equity, Schroders Capital

Jiven Gill is a Senior Product Manager at Schroders Capital, based in the Zurich office. As a private equity specialist, he collaborates closely with the Investment Management and Global Business Development teams to deliver private equity products and solutions to clients.

Before joining the private equity team in 2018, Jiven worked as a Junior Portfolio Manager in the firm's Private Debt and Credit Alternatives division, specifically within Schroders' Insurance Linked Securities team. He began his career at Schroders after successfully completing the firm's graduate programme in London.

Jiven holds a Bachelor's degree in Management and a Master's degree in Finance from the University of Lausanne (HEC), Switzerland, and he is a CFA® charterholder.
