

Alain Barbezat

Senior Fund Manager, BCV

Alain Barbezat is an emerging markets fund manager responsible for investment strategies, stock selection, and portfolio positioning. He is a voting member of BCV's Investment Committee. A member of our team since 2013, he has over 30 years experience in emerging-market investments. From 1986 to 2000, he worked at a number of Geneva-based private banks. He then moved to Hong Kong where he founded an asset management company and managed a hedge fund. In 2010, he joined a private equity firm specialized in agricultural investments in developing countries.
