

## UBS AG

UBS is the preeminent universal bank in Switzerland. We operate in five business areas: personal banking, wealth management, corporate and institutional clients, investment bank and asset management. We are able to reach one in three households, high net worth individuals and pension funds, more than 120,000 companies, and around 80% of banks domiciled in Switzerland. UBS Asset Management is a large-scale asset manager, with a presence in 22 countries. It offers investment capabilities and investment styles across all major traditional and alternative asset classes to institutions, wholesale intermediaries and wealth management clients around the world. It is a leading fund house in Europe and the largest mutual fund manager in Switzerland.
