

# Dr. Christoph Gosdenoz

CFA, Founder of Swiss Financial Studies

---

Founder of Swiss Financial Studies an independent consulting firm specialized in the field of impact investing, which has also contributed to a more sustainable financial industry closing the gap between the existing educational offering and traditional financial services. Before founding Swiss Financial Studies Christoph has worked in entrepreneurial finance, investment analysis, impact finance, mergers and acquisitions and risk management. Former employers include UBS in Zurich and in Mexico as well as BNP Paribas in Geneva and Singapore. Christoph graduated with a Master of Science in Business Administration from the University of Geneva, is a CFA charterholder and holds a DBA from the Edinburgh Business School. He has completed several teaching and research assignments at top business schools and leading financial institutions. Christoph is fluent in German, French, English and Spanish.
