

David Wickham

Global Head of Quantitative Investment Solutions, Aberdeen Standard Investments

David Wickham is the Global Head of Quantitative Investment Solutions at Aberdeen Standard Investments in London where he is responsible for the development, marketing, and specialist sales of the firm's quantitative investment capabilities. Prior to joining Aberdeen in 2016, David was the Director & Chief Portfolio Specialist for Emerging Markets, Frontier Markets and Smart Beta Solutions with HSBC Global Asset Management. Before HSBC, David was a Senior Portfolio Manager and Head of International Private Markets with Invesco Private Capital where he managed the firm's non-US private markets investment program. David holds a Master's degree in International Relations from the University of Cambridge and an MBA with Distinction from the University of Oxford.
