

Eveline Maechler

SI Specialist, UBS Asset Management Switzerland AG

Eveline Maechler joined the Sustainable & Impact Investing team at UBS Asset Management (UBS-AM) in July 2020. As an Investment Specialist, she is responsible for representing the sustainable investing capabilities across all asset classes to institutional clients and prospects. In addition, she supports the development of new sustainable investing solutions for UBS AM clients. Eveline started her career with UBS Wealth Management and later worked for the Smart Government Lab (University of St. Gallen) and Blackrock. Eveline holds a Master's degree in Banking & Finance from the University of St. Gallen (HSG).

Programm

ZEIT Mittwoch, 27.04.2022, 14:30 Seminarraum 5 (mit Video)

THEMA Transitioning to a more sustainable future
