

Vanguard Investments Switzerland GmbH belongs to the Vanguard Group, Inc., an independent asset management company founded in 1975. The Vanguard Group manages over USD 8.0 trillion in asset worldwide (as at 30 September 2021). Unlike other fund management companies the Vanguard Group is entirely owned by its US funds and therefore by its clients. This mutual-like structure enables the company to fully focus on the interests of its clients without any conflicts of interests. The Vanguard Group has over 35 years of experience in managing index funds. Vanguard has been servicing clients in Switzerland since 1998. Vanguard's Swiss subsidiary has been FINMA-regulated since 2011.
