How is the rise of Asia (China) changing the world?

Tuesday, 21. January 2020, 13:00 - 13:45 UHR

SEMINARRAUM III

English

Speaker(s): Projit Chatterjee, Stephen Jen, Prof. Dr. Ingo Beyer von Morgenstern, Hani Redha

Presenter: Albert Reiter

What stage has Asia – and in particular China – now reached in its development? What development steps can we expect to see over the next few years? How are the current tensions in global trade affecting China? What are the greatest challenges facing China as it continues its economic rise? What does this mean for the “developed” world? What are the opportunities and risks for China’s financial markets, particularly Chinese A-shares?
