Speaker(s): Christophe Collet, CFA

In today's complex world of stretched valuations, high inflation and market volatility, investors may be wondering if finding the needle in the haystack has become a necessity - or rather an impossibility. Join an insightful session focused on behavioral finance, risk management and principles for investment success.

Christophe Collet, CFA

Senior Sales Executive, Vanguard

Christophe Collet, CFA is Senior Sales Executive and has responsibility for the French- and Italian-speaking regions. He joined Vanguard in 2018 as a senior ETF sales specialist for Switzerland, France, Belgium and Luxembourg and was until recently deputy head of ETF sales specialists for Europe. Prior to joining Vanguard, he spent five years at BlackRock, covering wealth intermediary clients in French-speaking Switzerland as part of the ETF and index solutions department. Christophe also held various roles at Amundi, where he contributed to new product launches and equity swap structuring within the ETF product development team.

Christophe earned a Master of Sciences (MSc.) in Finance from Rouen Business School, and took part in the international exchange programme of Singapore Management University. He is also a CFA Charterholder and a member of the Swiss CFA Society.
