

Ann Steele

Senior Portfolio Managerin, Columbia Threadneedle Investments

Ann Steele joined the company in 2009 as a senior portfolio manager in the European equities team.

Ann manages the Threadneedle (Lux) Pan European ESG Equities and several institutional segregated portfolios, including ESG mandates. She has also been actively involved in the development of our ESG analysis.

Before joining the company, Ann worked at Pictet Asset Management, Gartmore and Henderson where she managed a number of institutional funds.

Ann holds a degree from the University of Glasgow.
