## FINANZ'22

We are pleased to invite you to participate as an exhibitor in the 23rd staging of Switzerland's largest financial fair.

- ◆ Following the prolonged period of COVID-19 restrictions, we are now pleased to invite you to participate as an exhibitor at FINANZ'22, where we will once again be facilitating personal meetings with professional investors.
- ◆ NEW: FINANZ'22 will be held at Halle 550 (right next to StageOne) in Zurich Oerlikon.
- ◆ State-of-the-art exhibition and trade fair technology as well as comprehensive catering options await you in Halle 550. It offers sufficient space, has a modular setup, and can therefore be optimally adapted to the health requirements prevailing in January 2022. This also applies to the available seminar rooms.
- ◆ In 2020, 174 exhibitors and a programme encompassing more than 90 elements attracted some 3,800 financial professionals.
- ◆ The first elements of the framework programme are now in place. A highlight of the upcoming FINANZ'22 will be the keynote speech of Dr Fritz Zurbrugg, Vice Chairman of the Governing Board of the Swiss National Bank, on the topic "Extreme government indebtedness and the role of central banks".
- ◆ As an exhibitor, you are invited to participate in the programme as well as in the shaping of the programme (specialist panels and lectures).
- ◆ On the basis of the positive feedback received, FINANZ'22 will once again offer training seminars in collaboration with specialist financial associations (ASIP, CFA, SAM, SFAA and VQF).
- ◆ FINANZ'22 will be carried out in a climateneutral manner.

We look forward to your registration. Please do not hesitate to contact us if you have any questions.
